

# Bridging Health And Housing For Older Adults

## CHRIS ESTES

Vice President  
Rebuilding Together

## DAN SARGENT

Executive Director  
Rebuilding Together of The Triangle

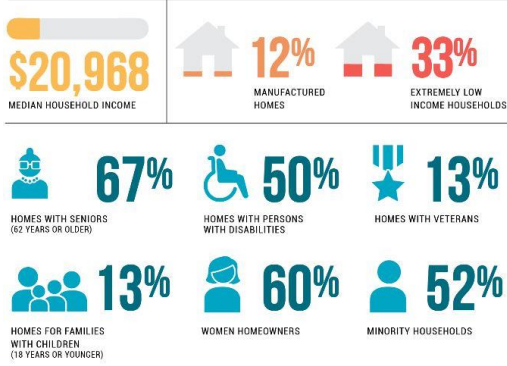

## REBUILDING TOGETHER

is a leading national nonprofit that repairs homes,  
revitalizes communities, and rebuilds lives.

## Who We Are:

Rebuilding Together is a leading national nonprofit active in safe and healthy housing.

Our more than 130 affiliates provide critical repairs to the homes of our neighbors and revitalize the communities in which we live.

## OUR OUTPUTS: 1988-2017

**[Re]Build**  
Rebuilding. Together.

**4 MILLION**  
Volunteers Mobilized

**6 MILLION**  
People Served

**200,000**  
Homes & Nonprofit  
Facilities Repaired and  
Rehabilitated

**500,000**  
People Living in Safer  
Homes

**39 STATES**  
& District of Columbia

## OUR IMPACT

**[Re]Build**  
Rebuilding Legacies

**78%** of service recipients stated that the home repair **"helped a great deal"**

**90%** expect that they can **safely live in their home** for ten or more years

**11%** of recipients reported that repairs kept them from being homeless

**"Waiting for the repair, life is stressful and I am not able to enjoy life."**

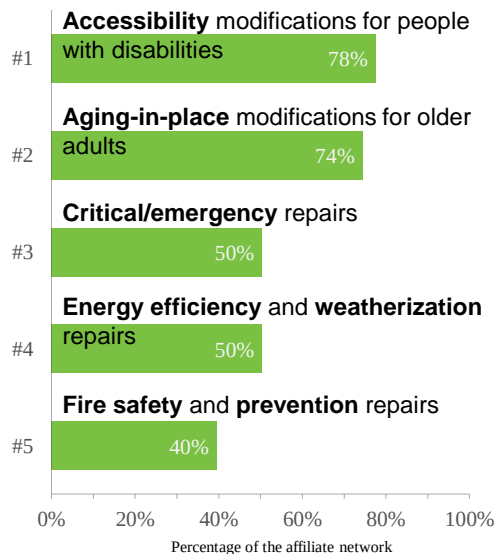

**"Since the repair, I enjoy life more and make the most of every day doing things that make me happy."**

## SAFE AT HOME

Through Safe at Home, Rebuilding Together provides free or low-cost home modifications and accessibility improvements for our older neighbors in need.

Rebuilding Together uses its expertise in home modifications and our Safe and Healthy Housing framework to assess and provide critical home repair services to reduce falls and other health-related issues, relieve financial pressures and promote independence, safety and mobility at home.
