1 ACTIVATE YOUR UBER VOUCHER TO COVER UP TO \$50 ON TWO RIDES

As a proud supporter of Meals on Wheels America, Uber is once again providing each 2019 Conference attendee with a voucher that will cover up to \$25 off two rides for your on-the-ground transportation in Dallas between August 25 and 30. ***Please disregard the instructions shared in previous Conference Essentials emails and follow the updated directions below to activate your voucher.***

Don't have the Uber app on your phone, yet? It's free to download! Just search for it in the app store on your mobile device and follow the prompts to get started. Find more help [here](#).

FOLLOW THESE EASY STEPS TO ACTIVATE YOUR VOUCHER:

- 1) Go to www.mealsonwheelsamerica.org/uber to activate your voucher. If you're on your phone and already have the Uber app downloaded, your app will open automatically. If you're using your computer, you will need to log in to your Uber account.
- 2) Once you're logged in to the Uber app, click "ACCEPT VOUCHER."
- 3) You will get a message that confirms that the MOW2019 voucher has been applied to your account. Please note that the voucher will only work between August 25 - 30 when the pick-up or drop-off location is within a 5 mile radius of the Sheraton Dallas Hotel.

When it's time to schedule a ride and all the conditions are met (date range and destination), the \$25 voucher will automatically be applied. We encourage you to use it coming to and from the airport!

2 ACCESS THE CONFERENCE RESOURCE CENTER

Only worksheets that are critical to the learning process will be printed and distributed during sessions. All other presentation decks, handouts and reference materials are available for to view and download online at www.mealsonwheelsamerica.org/resources-2019. New this year, Attendees can also access resources in the app. Materials will continue to be updated and added during and after Conference.

3 USE THE SCAN FUNCTION IN THE APP TO CONNECT WITH FELLOW ATTENDEES

Having a good conversation with an attendee or exhibitor and want to follow up with them later? Tap the Scan icon on the App home screen and ask the other person to do so, as well. All you need to do is snap a shot of your new friend's QR code and their information will be stored in your scan list. You can even jot down a few notes about your conversation for follow up.

To get the app, simply download the Eventpedia App and search for "Meals on Wheels." For more detailed instructions, or to learn more about the all-new Matchmaking and Scan features, check out our [Conference App Guide](#).
