

2019 Meals on Wheels Annual Conference Scholarship, Provided by The Home Depot Foundation

Meals On Wheels America

ABOUT THIS SCHOLARSHIP

Thanks to support from The Home Depot Foundation, Meals on Wheels America is pleased to provide scholarships of \$1,000 each to assist Members in attending the **2019 Meals on Wheels Annual Conference and Expo** this August 27-29, 2019, in Dallas, TX. Scholarship funding can be applied toward the cost of full Conference registration, Pre-Conference event registration, hotel and/or travel. The Home Depot Foundation and Meals on Wheels America partner in efforts around in-home safety, so scholarships will be granted to organizations who offer, or have a focus on improving, the safety of their homebound clients through fall prevention, safety checks, in-home assessments and/or home modification/repair. The purpose of this scholarship is to create the opportunity to support the continued learning and innovation around safety programs within our network.

For more information about this year's event, visit **www.mealsonwheelsamerica.org/conference**.

All active Meals on Wheels America Member programs are eligible to apply for one Home Depot Foundation scholarship to send a staff person or board member to the 2019 Conference. Scholarship applications will be judged on what could be gained by attending and the programs' current and future work in safety for older adults as part of their service delivery model. Applicants will be asked to describe their current and future work in in-home safety and outline how attending this year's Conference will support their future works.

If selected for a scholarship, recipients will be required to attend Home Depot Foundation-related sessions and events during the Conference.

As a condition of receiving a Scholarship check for Conference attendance, recipients must be dues-paying Members of Meals on Wheels America at the time of application submission and remain in good standing through August 29, 2019.

NOTE: Each Member program is eligible to receive one Home Depot Foundation scholarship and therefore only one application will be reviewed. Before submitting an application, please confer with your staff on who will be submitting the application for your organization.

Application Deadline: 5:00 p.m. EDT, Friday, May 17, 2019.

Scholarship Announcements: Results will be communicated by mid-June.

Conference Registration: Scholarship award recipients will be required to register and pay Conference Full Registration fees. We strongly encourage recipients register prior to the July 3, 2019 Early Bird deadline to secure the lowest possible rate.

Scholarship Checks: A check for the full amount of the scholarship will be mailed to the Member program following the Conference and should be received by the end of September.

If your organization has already purchased their registration to the Conference, you are still eligible to apply and use the scholarship funding to cover your related expenses.

QUESTIONS?

If you have any questions regarding this scholarship application, please contact grants@mealsonwheelsamerica.org.
