THE OLDER AMERICANS ACT

For more than 50 years, **THE OLDER AMERICANS ACT** (OAA) has been the primary piece of federal legislation supporting social and nutrition services to Americans age 60 and older. OAA programs are vital for seniors who are at significant risk of hunger, isolation and losing their ability to live independently. Title III of the OAA establishes a grant system to fund programs that address the unique needs of vulnerable seniors.

These include services such as:

- Home-delivered meals and meals served in group settings such as senior centers
- Transportation
- In-home personal care and community supports
- Caregiver assistance
- Preventative health and wellness programs
- Employment services and training

GROWING GAP BETWEEN SENIORS IN NEED AND SENIORS SERVED

With 12,000 individuals turning 60 every day nationwide, a senior population increasingly threatened by hunger and federal funding failing to keep pace, the gap between those in need and those being served continues to widen. Funding for OAA programs is provided through the Department of Labor, Health and Human Services, Education, and Related Agencies (Labor-HHS-Education) annual appropriations bill, and dollars are allocated to states based on a formula.
