^{*} Includes any race.

^{**} Marginally food insecure includes seniors who are food insecure or very low food secure, and seniors who are food insecure includes those who are very low food secure.

MEALS ON WHEELS AMERICA KEY FEDERAL PRIORITIES

- 1. Increase federal funding for the Older Americans Act Nutrition Program, and other funding sources including federal block grants and home- and community-based services (HCBS).
- 2. Advance policies that support community-based nutrition programs serving more older adults including a strong and coordinated implementation of the 2020 reauthorization of the Older Americans Act, convening a White House Conference on Food Nutrition, Hunger, and Health, and incentivizing leverage of the senior nutrition network in healthcare.
- **3.** Strengthen other federal anti-hunger programs that benefit older adults and their families, including the Commodity Supplemental Food Program (CSFP) and the Supplemental Nutrition Assistance Program (SNAP).
- **4.** Enhance charitable giving incentives and assistance for nonprofit organizations under the tax code.
